A Taxas paper has an advertisement shudy gentleman's residence." I add Colfax's suit?

Love laughs all the time at lacksmiths, at 'tis not till ten years after marriage at it laughs at tinsmiths. hat it laughs at tinsmiths.

There is a growing helief in this state has the yellow fever spared the wrong vis-

as the yellow fever spared the wrong sun-ng physician at Hickman.

PRIVATE DALZELL wears a chin-chiller rarcoat, and Senator Conkling wears a last of New York Evening Mail.

PRESIDENT HAVES, while hapting

The New York Herald says that Ohio is the political dollar store. And it might have added that it has been must liberally patron-ized by the remablican party. Mank Thaty, says a society paragraph, is going to Woshington. We presume for the purpose of writing up the blood-eardling officir between Waver and Spark.

Mis. Cause (George Eliot), the famous novelist, author of "Mill on the Floss," "Fe-fix Holt, Radical," "Middemarch," "Dun-iel Derontal," and other delightful books, died at her residence near London, on the 22d inst., in the 60th year of her age.

which to earry on the business or a granie inst. in the 60th year of her are to so old adula heariot is till living held to have a compared to the state of 1855 be took a farm of 4,000 nerse on the island of Achill, and the state of 1855 be took a farm of 4,000 nerse on the island of Achill, and the form of the group of Lord Erne's Longth Mask hervested of worse me have lived at was a fine of the form of the form of the first three years be continued to farm of the form of the first three years be continued to farm of the first three years be continued to farm of the first three years be continued to farm of the first three years be continued to farm of the first three years be continued to farm of the first three years be continued to farm of the first three years be continued to farm of the first three years be continued to farm of the first three years be continued to farm of the first three years be continued to farm of the first three years be continued to farm of the first three years be continued to farm of the first three years be continued to farm of the first three years be continued to farm of the first three years be continued to farm of the first three years be continued to farm of the first three years be continued to farm of the first three years were the mindsed that the first three years the continued to farm of the first three years the continued to farm of the first three years the continued to farm of the first three years the continued to farm of the first three years the continued to farm of the first three years the continued to farm of the first three years the continued to farm of the first three years the continued to farm of the first three years the continued to farm of the first three years the continued to farm of the first three years the continued to farm of the first three years the continued to farm of the first three years.

"CAPTAIN" BOYCOTT.

"CAPTAIN" RO FOOTT.
There of the more extraordinary incidents
in the life in the property of t

offici between Waxver and Sparks.

Jours A. Lozax nevidentally steeped on to copy of Busine's Grammar a few weeks, ago, and the family redate that it is rheuman-later that confidence in the tendine's Man Harves, says the New York Hersdi, has a small piere of hackbone wishe family exhibits. The Hersdi neglects to meating exhibits. The Hersdi neglects to meating the confidence which was a small piere for the chard of the confidence which was set to the chard of water and military transmission that it is not a persion of his contraction that it is
